

Drink coasters

Short description: Personalised drink coasters

Long description: Upgrade your home and living range with our print on demand coasters – great for displaying on coffee tables as well as protecting surfaces from water marks.

Made from 4mm thick medium-density fibreboard, these square custom coasters are finished with a high-shine gloss and have a protective cork underside.

Coasters can be customised with your own design, with images printed onto a pure-white base using dye-sublimation technology for a crisp, vibrant colour. Pair with our matching personalised placemats for the perfect dining set.
